- Saturday December 16: Lighted Boat Parade

Holiday Hours

The Marina Office will be closed Christmas Day and New Years Day to allow our staff to celebrate with their families.

A little time off for your Harbormaster

On December 11 I will have surgery to repair a damaged shoulder and will be out of the office from that date until at least January 22. In the interim, Ranger Bob Gardali will serve as acting Harbormaster. Please be sure to give him a very hard time and do everything possible to make his life miserable until I return.

Bob will oversee all Marina operations. Linda and Clarence are both available to handle administrative details. Clarence is in the office Monday through Thursday, and Linda is here Tuesday through Thursday.

-- Mark Bettis, Harbormaster

Please Renew Now!

It's time to renew your DMV registration! Most boats that are registered with DMV have expirations of December 31, 2023. It's cheap and easy to renew online, and if you do it now, you will have 2025 stickers in time to put them on the boat by January 1.

Current registration is a requirement to keep your slip at Coyote Point, so please do not neglect this simple task. A mussel sticker is not required if your boat stays in salt water, but if you think you might go up the river or to the Delta be sure to get a mussel sticker as well.

Once you get your new registration be sure to send the office a copy so that we may update our files. Just snap a photo of the new registration and email it to marina@smcgov.org

Thanks to those who have already done this!
