

San Mateo County Continuum of Care
2018 CoC Competition
PROJECT REVIEW AND RANKING PROCESS

Approved July 13, 2018

I. Background on 2018 NOFA and Ranking Requirements

On June 20, 2018 the U.S. Department of Housing and Urban Development (HUD) published the *Notice of Funding Availability (NOFA) for the Continuum of Care Homeless Assistance Program*.

- This year, funding is available for eligible renewal projects. Renewals must be rated and ranked into two tiers (see below)
- New this year, organizations with multiple CoC projects of the same project type may apply to consolidate two or more grants into a single grant through the renewal process.
- San Mateo County is eligible to request up to \$694,016 for bonus permanent housing projects, which may include: (1) permanent supportive housing (PSH) serving chronically homeless households with the greatest severity of need and longest histories of homelessness; (2) rapid re-housing (RRH) projects serving homeless single adults or families with children and (3) joint transitional-housing/rapid re-housing (TH/RRH) projects.
- New this year, San Mateo County may request funding to create one new DV bonus project serving households who are survivors of domestic violence, dating violence, sexual assault or stalking. One project may be submitted in each of the following three project types, but only one will be funded: (1) rapid re-housing (RRH), (2) joint transitional-housing/rapid re-housing (TH/RRH) ; and (3) SSO Projects for Coordinated Entry (SSO-CE) to implement policies, procedures, and practices that equip the CoC's coordinated entry to better meet the needs of survivors of domestic violence, dating violence, sexual assault, or stalking (e.g., to implement policies and procedures that are trauma-informed, client-centered or to better coordinate referrals between the CoC's coordinated entry and the victim service providers coordinated entry system where they are different).
- San Mateo County may also create new projects through the re-allocation of funds from lower performing existing grants. The amount of available re-allocation funds is expected to be in the range of \$100,000 to \$200,000 (though the actual amount may vary) and may be used for the same project types as described above. These funds may

also be used by the CoC Lead Agency (San Mateo County Human Services Agency) for dedicated HMIS projects or Coordinated Entry projects.

New this year, organizations with existing CoC projects may apply to transition from one project component to another component using the re-allocation process. The NOFA requires that each CoC conduct a transparent and objective process to review and rank all applications for renewal of existing projects and creation of new projects. Ranking of renewal projects must demonstrate the use of established objective criteria used to review project applications. Additionally, the CoC must place projects into Tier 1 and Tier 2, with projects in Tier 2 having to compete nationally for funding.

This document describes the San Mateo County CoC policies and process governing the review and ranking of projects in the 2018 competition, as well as the adopted policy for determining which projects are placed into Tier 2.

II. Rating and Ranking Process and Criteria

a. Adoption of Performance Standards

On July 12, 2013, the CoC Steering Committee adopted objective Project Performance Standards for all program types within the continuum (emergency shelter, short and long term transitional housing, permanent housing, rapid re-housing, services only with housing focus, and services only with employment focus). In June 2016 these standards were updated to align with HUD's System Performance Measures (published in 2014) and to reflect recent data on current performance of San Mateo County programs and performance targets recommended by Focus Strategies as part of their technical assistance work on HSA's Strategic Plan to End Homelessness 2016-2020.

In July 2018, the CoC Steering Committee voted to adjust the performance standard for HMIS data quality.

The Performance Standards as amended on July 13, 2018 are attached as **Attachment A**.

b. Solicitation of CoC Applications

On July 10, 2018, the CoC Lead Agency (HSA) released an announcement of available funding for both new and renewal CoC projects and convened an informational meeting for potential applicants (both new and renewal). Funding announcements were distributed broadly via email to the provider community and were also posted to the HSA website. The announcements explain the process for submitting application, as well as the review criteria and process.

c. Application Process

- On or about July 16, 2018, renewal applicants will receive a Project Performance Report from HSA summarizing their progress in meeting the established performance standards using data from the Clarity HMIS system. This report provides each renewal project

applicant the opportunity to provide any narrative explanation or clarification regarding why they did not meet any of the standards. This document also includes supplemental narrative questions.

- By August 13, 2018 at 5:00 pm, all applicants (new and renewal) must complete their Project Application(s) (Exhibit 2) in e-snaps. Renewal applicants must also submit their completed Project Performance Reports including any clarifications and responses to the supplemental narrative, as well as supporting documentation. New applicants must also submit their completed supplemental narrative.

Additional details and instructions about the application process are contained in the following documents Highlights of the 2018 Continuum of Care NOFA, Availability of Funding for New Projects, and Information for Renewal Applicants, which are posted online at HSA's 2018 website at <https://hsa.smcgov.org/2018-continuum-care-nofa-notice-funding-availability>

d. Review, Ranking and Tiering Process

- HSA will convene an unbiased and non-conflicted Review Panel composed of representatives from neutral (non-applicant) organizations. The Panel may include staff from the County of San Mateo, cities and towns within the County, funders and non-profit housing and social services organizations.
- The Review Panel will meet on or about August 22, 2018 to determine final ranking of the projects.
- Prior to the meeting, the HSA staff will calculate the preliminary score for all renewal applicants using the objective Scoring Factors in **Attachment B**. The preliminary scores will be distributed to the Review Panel prior to or at the meeting.
- Prior to the meeting, the Review Panel will receive copies of all new project applications for review and scoring. New project applications will be scored using the scoring factors in **Attachment C**.
- At the meeting, the Review Panel will determine the final order of ranking of projects in accordance with the Ranking and Tiering Policy in **Attachment D**.
- All applicants will be notified on or about August 27, 2018 whether their project is being included in the application as well as their rank on the Project Priority listing.
- Applicants may appeal any of the following decisions of the CoC Steering Committee:
 - Placement of project into Tier 2
 - Reduction of renewal grant amount (i.e. renewal grant partially re-allocated to a new project)
 - Elimination of renewal grant (i.e. entire grant re-allocated to a new project)
 - New project application not selected to be included in the Project Priority List

Appeals must be submitted in writing to HSA no later than 5:00 p.m. on August 31, 2018. Appeals will be heard by a panel of three non-conflicted members of the CoC Steering Committee or a CoC subcommittee who did not serve on the Review Panel. The decision of the appeal panel is final.

- The final project rankings, including results of any appeals, will be brought to the Continuum of Care Steering Committee for approval on or about September 7, 2018.

SCORING FACTORS FOR RENEWAL PROJECTS

The scoring system for renewal projects is based on objective criteria, including a consideration of past performance as demonstrated by the project APR, HMIS data, performance data compiled by Focus Strategies using HMIS and budget data, CoC Project Applications and supplemental project narratives. The scoring system also takes into consideration the severity of needs and vulnerabilities experienced by program participants, and the extent to which projects are aligned with Housing First principals (low barriers to participation, no service participation requirements or preconditions).

Projects applying for consolidation will each be scored and ranked separately, as per HUD requirements.

Scoring Factor		Maximum and Minimum Scores		
		TH	RRH	PSH
1	1a. Exits to Permanent Housing (up to 15 pts)	Exceeds standard by more than 10% = 15 points Meets standard or exceeds by up to 10% = 9 points Within 10% of standard = 6 points More than 10% below standard = 0 points		Not Applicable
	1b. Exits to Permanent Housing/Retain Housing (up to 17 pts)	Not Applicable		Exceeds standard by more than 10% = 17 points Meets standard or exceeds by up to 10% = 12 points Within 10% of standard = 8 points More than 10% below standard = 0 points
2	Length of Stay (up to 6 pts)	Exceeds standard by more than 10% = 6 points Meets standard or exceeds by 10% = 4 points Within 10% of standard = 2 points	Not Applicable	
3	Returns to Homelessness (up to 4 pts)	Achieves standard = 4 points		Not Applicable
4	Increased Employment Income (up to 5 pts)	Exceeds standard by more than 5% = 5 points Meets standard or exceeds by up to 5% = 4 points Within 5% of standard = 2 points More than 5% below standard = 0 points		Not Applicable

Scoring Factor		Maximum and Minimum Scores		
		TH	RRH	PSH
5	Increased Non-Employment Income (up to 7 pts)	Exceeds standard by more than 5% = 7 points Meets standard or exceeds by up to 5% = 4 points Within 5% of standard = 2 points More than 5% below standard = 0 points		
6	Utilization Rate (up to 6 pts)	Meets standard or exceeds = 6 points Within 5% of standard = 2 points More than 5% below standard = 0 points	Not Applicable	Meets standard or exceeds = 6 points Within 5% of standard = 2 points More than 5% below standard = 0 points
7	CoC Grant Spending (up to 6 pts)	Meets standard or exceeds = 6 points Within 5% of standard = 3 points More than 5% below standard = 0 points		
8	HMIS Data Quality (up to 12 pts)	All Data Elements Less Than 5% Missing/Don't Know = 12 points 1-2 Data Elements More Than 5% Missing/Don't Know = 6 points More Than 2 Data Elements More Than 5% Missing/Don't Know = 0 points		
9	Housing First (up to 16 points)	<p>Does the project ensure participants are not screened out based on the following criteria?</p> <p>A) Having too little or no income B) Active or history of substance abuse C) Having a criminal record with exceptions for state-mandated restrictions D) History of domestic violence</p> <p>If yes, then 0.5 points for each (possible total of 2 points).</p> <p>Does the project ensure that participants are not terminated from the program for the following reasons?</p> <p>A) Failure to participate in supportive services B) Failure to make progress on a service plan C) Loss of income or failure to improve income D) Being a victim of domestic violence</p> <p>If yes, then 0.5 points for each (possible total of 2 points).</p> <p>Does the program have these Housing First approaches documented in Program Manual or other program documentation?</p> <p>If yes, then 1.5 points for each approach documented in submitted documents (up to 12 points).</p>		

Scoring Factor		Maximum and Minimum Scores		
		TH	RRH	PSH
10	Accessibility for Highest Need Households (up to 8 pts)	<p>Is the project accessible for households with the highest needs and housing barriers? Are participants entering from literally homeless situations; with zero income; or with disabling conditions? Does the project take affirmative steps to make housing and services accessible to people with significant vulnerabilities, including: having experienced abuse or victimization (including domestic violence, sexual assault, child abuse), criminal histories, chronic homelessness, low or no income, current or past substance abuse?</p> <p>Project is highly accessible for highest need households = 8 points Project is accessible for highest need households = 3 points Project is not accessible for highest need households = 0 points</p>		
11	Grants Monitoring/ Compliance (up to 8 pts)	<p>a) Project submitted APR on time= 2 points If not = 0 points</p> <p>b) Project had sufficient LOCCS drawdown frequency for executed contracts (at least quarterly)= 2 points If not = 0 points</p> <p>c) Project did not return funds to HUD = 2 points If returned funds = 0 points</p> <p>d) Project serves CoC-eligible participants (as demonstrated in written policies/procedures on eligibility, screening and admission) = 2 points If not = 0 points</p> <p>e) Serious unresolved compliance finding from HUD would result in up to 8 points subtracted from project's score</p>		
12	Cost Effectiveness for PH exits or PSH units (up to 7 points)	<p>Cost per exit to permanent housing is reasonable for project type = 7 points Cost per exit to permanent housing is not reasonable for project type = 3 points</p>	<p>Cost per unit served is reasonable for project type = 7 points Cost per unit served is not reasonable for project type = 3points</p>	
13	Policy Priorities (up to 13 points)	Not Applicable	Rapid Re-Housing = 12 points	Permanent Supportive Housing = 13 points
Maximum Score		100	100	100

Methodology for Renewal Scoring Factors:

Factor 1 through 8 (Project Performance Standards): Data will be extracted from APR/Clarity/Looker/HUD Applications for each project for the period May 1, 2017 to April 30, 2018 to calculate these performance measures.

Factor 9: (Housing First): This will be based on how the applicant responds to the Questions on Section 3B of the Project Application relating to Housing First, entry barriers, and service participation requirements. In addition, these items will be scored based on the project's documented program manual. The projects with written policies that clearly document low barriers and no service participation requirements will receive higher scores.

Factor 10: (Accessibility for Highest Need Households): This factor considers whether the project is serving a high need population and is based on the following considerations: extent to which the project serves individuals entering from literal homelessness (streets or shelters), have zero income at entry, or have a disability. This information will be drawn from the APR and other Clarity/Looker reports. In addition, applicants will be asked to provide a brief narrative describing how they target and prioritize high need households and if/how the project takes affirmative steps to make housing and services accessible to people with significant vulnerabilities.

Factor 11: (Grants Monitoring/Compliance): Applicants will be scored based on their responses to the questions in Section 2B of the Project Application, to include: whether they submitted APR reports on time, have made sufficient LOCCS drawdowns, or have had any unspent grant funds returned to HUD. Applicants will be asked to submit their eligibility and screening policy/procedures to assess whether projects serve CoC-eligible populations. In addition, projects will lose points for having serious unresolved compliance findings from HUD.

Factor 12: (Cost Effectiveness): For TH and RRH projects, the measure will be calculated by dividing the total program budget by the number of households who exited to permanent housing. For PSH projects, the measure will be calculated by dividing total budget (as submitted by program) by the number of units/households in the project to arrive at an average cost per unit.

Factor 13: (Policy Priorities): This factor provides additional points for permanent housing projects (PSH and RRH).

DedicatedPLUS projects will not receive points for serving chronically homeless individuals because they do not only serve chronically homeless individuals.

DV projects operated by victim services providers will be rated and ranked using the same methodology as all other projects. DV providers will extract performance data from their HMIS compatible database to complete the project performance report.

TOTAL	100

ATTACHMENT D RANKING AND TIERING POLICIES

1. Ranking Policy

In determining the rank order of projects, the Review Panel will adhere to the following policies:

- a. Projects will be ordered in accordance with their scores as set forth in Attachment B (for renewal projects) and Attachment C (for new projects).
- b. Projects falling into Tier 1 will be submitted on the Project Priority list in the order in which they are ranked
- c. Projects falling into Tier 2 will be ranked according to the policies set forth in below in Section 3 and 4.
- d. The following project types will not receive scores:
 - Renewal projects that do not have any performance data (because they were only recently awarded) will be placed at the bottom of Tier 1 or into Tier 2, at the discretion of the Review Panel.
 - Any dedicated HMIS or Coordinated Entry projects will not receive scores. As critical infrastructure for the CoC, dedicated HMIS and/or Coordinated Entry projects will be placed at the bottom of Tier 1.

2. Tier Two Project Scoring as Established in the HUD NOFA

In this year's NOFA, HUD has set forth a scoring system for Tier 2 Projects:

- a. CoC Score – up to 50 points
- b. CoC Project Ranking – Up to 40 points based on how each project is ranked within Tier 2, with those closer to the top of the list receiving more points
- c. Housing First – projects that demonstrate low barriers to entry, prioritize rapid placement into housing, and that do not have service participation requirements receive up to 10 points.

All projects in Tier 2 will compete nationally for funding based on this scoring system. Projects lower on the list are less likely to be funded.

3. San Mateo County Tier 2 Policy

Once the rank order of projects has been determined (see Section 1), any projects falling into Tier 2 will be candidates for re-allocation to create new projects. The Review Panel will make a recommendation as to whether to re-allocate Tier 2 projects or leave them in their rank

order.

4. Re-Allocation Policy

In addition to the above, the Review Panel will examine the spending history of ALL renewal projects to determine if any grants should be reduced. Any grants that have significant under spending will be candidates to have their grant amount reduced. Funds captured from grants that are reduced will be used to fund new permanent housing or rapid-re-housing project(s), which can be placed either in Tier 1 or Tier 2, or HMIS or Coordinated Entry projects, which are placed at the bottom of Tier 1.

Renewal applicants may apply to create a Transition Project by voluntarily re-allocating one or more of their grants and creating a new grant of a different project type (PSH, RRH, TH/RRH). The new project will be ranked and scored according to the policies outlined in this document. There is no guarantee that Transition projects will be included in the Project Priority list submitted to HUD, and if they are, there is no guarantee that they would be placed in Tier 1.

Renewal applicants may choose to voluntarily re-allocate a portion of an existing grant to create a new re-allocation project, but these will not be considered Transition Grants by HUD. There is no guarantee the re-allocation project will be included in the Project Priority list submitted to HUD, and if they are, will be placed into Tier 1. The new project will be ranked according to the policies outline in this document.

5. Final Project Priority List

After following the process described above, the Review Panel may elect to make adjustments to the order of projects if doing so will advance the goals of ensuring a more competitive overall funding application and maximizing our CoC's ability to fund eligible renewals and new projects. These adjustments are limited to the following:

- Adjustments to address any issues that arise from projects straddling the Tier 1 and Tier 2 line, in accordance with the policy outlined in the HUD NOFA.
- Ranking of bonus project(s).
- Ranking of DV bonus project(s).
- Ranking of renewal projects that do not yet have any performance data.

Adjustments to rank order will **not** be made to protect low-performing projects from re-allocation or placement in Tier 2.
