Hi Deke and Corrin,

Lot 11 – Please see bio report attached, which we just received and are currently reviewing.

Lots 9 and 10 – Building Permits were issued for Lots 9 and 10 on 11/14/19. Please see bio report attached. Comments on that report and regular monitoring status emails between the County, SWCA, MIG, and the Applicant are located at:

<https://planning.smcgov.org/highland-estates-subdivision-records> (location of regular County monthly uploads with documents responsive to the Public Records Act request).

Thanks

Hi Camille,

According to the EIR and Conditions of Approval we were supposed to be receiving the Environmental Reports from SWCA.

Now the Highlands neighbors are demanding those reports. They all have had ENOUGH - Our phone has been ringing off the hook !!!

Could you please send them to me as soon as possible.

Thank you,
Deke & Corrin
