Hi Camille,

I conducted my weekly site inspection at Highland Estates today. Bob and I spoke about the silt fence on Lot 11, and he said that he had someone out yesterday to work on fixing it. There is still a portion of the fence that is not touching the ground on the south side of Lot 11, and I asked Bob to make sure that was repaired.

Attached is my site inspection report. Please let me know if you have any questions!

Thanks so much!
